Year 13 Folio Preparation Course
- 1998** ▶ **VICTORIA UNIVERSITY**
Associate Diploma of Graphic Art
- 2016** ▶ **CERT IV TRAINING AND ASSESSMENT**
Box Hill Institute of TAFE

WORK EXPERIENCE

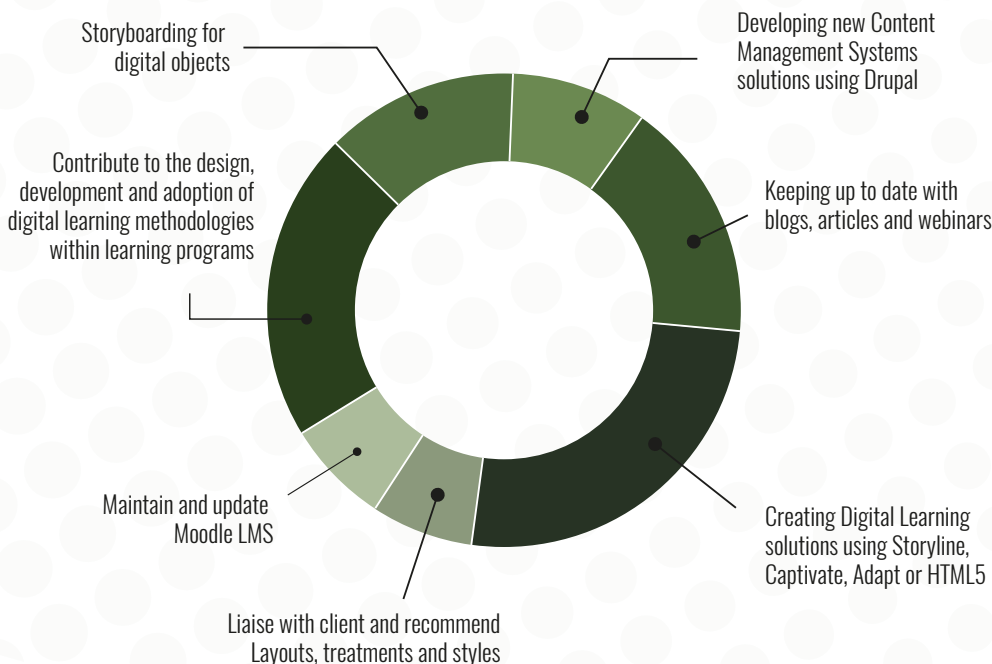

- 1999-2000** **SWEET & MAXWELL, London**
Graphic Designer, Print Division
- 2001-** **Country Fire Authority, Burwood**
Web Developer, Training

SELECTED PROJECTS

- ▶ **Storyboard**
Developing a new storyboard for the development of digital learning objects
- ▶ **CFA Training Online website**
Utilising and developing new modules and plug-ins for CFA's Moodle website and building a campus booking Drupal website.
- ▶ **Training Online**
Building a Flash based application with over 1500 lines of actionscript. Using XML Based data to build navigation to load learning objects and a quiz that is dynamically built through XML and a review section that is built form incorrect quiz answers.
- ▶ **Driving CFA Vehicles**
This package was converted the theory component which was face-to-face material to an online package for a flipped classroom approach.

Interactive elements created in HTML5 that fit into an Adobe Captivate module, allowed learners to delve into scenarios, make decisions and foster critical thinking around their selections.

MY DAY AT WORK

MY MISSION

Exploring interesting and effective ways for transferring information to the right people at the right time.
